Dear Canada Energy Regulator:

Re: Indigenous Caucus Submissions on Phase 2 Review of the Onshore Pipeline Regulations and Filing Manuals Update

I write as Chair of the Indigenous Caucus of the Indigenous Advisory and Monitoring Committee for the Trans Mountain Expansion and Existing Pipeline Project regarding the CER's Onshore Pipeline Regulations and Filing Manuals Update.

Please find enclosed submissions from the Indigenous Caucus for your consideration. We look forward to continued collaboration and engagement in this important process.

Respectfully,

[REDACTED]
Chair, Indigenous Caucus
